Leading Transition to a Low-Carbon, Circular Economy	\$2,000	\$1,500	\$750	

*Important Note: Fees stated in the above table do not include applicable taxes.*

<sup>1</sup> Active member of CSCE; individual or company membership with Canadian manufacturing subsidies; alumni of McMaster or Mohawk

Offerings of the Sustainable Infrastructure courses in the Fall of 2022/Winter 2023 are funded in part by the Government of Canada and the Government of Ontario. The cost for Ontario residents working in the public or private sector is listed in the table below:

	CSCE Member	Non-Member
Ontario (Private Sector)	\$450 + HST	\$670 + HST
Ontario (Public Sector)	\$225 + HST	\$445 + HST
Outside Ontario	\$1500 + HST	\$2000 + HST

Please note that subsidies are based on availability of funding and criteria determined by the funding partners. If you have any questions regarding discounts or subsidies, please contact our Admission & Student Coordinator of the Circular Economy & Climate Change Program, Nicole Vicentic.
